## VICTORY CIRCLE

The Victory Circle represents the leadership fundraising arm of the Terrapin Club with gifts of \$50,000 or more supporting capital projects, endowments, program enhancements, and planned gifts. Victory Circle donors will be afforded unique stewardship opportunities while also receiving the benefits outlined above for the annual level they qualify for when gifts are made.

## PARKING ACCESS

Donors receive access to the best parking locations for football and men's basketball games that are not available to the public. Parking is allocated using Terpoint priority ranking and based on available inventory for each lot. Access to specific locations is determined by giving level, but not guaranteed.
