

# MEN'S SEASON OUTLOOK

In 2008, Andrew Valmon and his team produced great cross country success. Under his guidance along with Coach Terry Weir, the men's team received its first top-six outdoor ACC finish since 1986. Sophomore Alex Lundy experienced his breakout season late in 2008 in advancing to the NCAA Division I Cross Country Nationals. Lundy's feat marked the first time in recent memory that a Terrapin cross country runner has qualified for nationals.

"Coach Weir has been developing Alex nicely and his teammates have provided the necessary support to reach these new levels," Valmon said.

The 2009 University of Maryland men's track and field team comes off an extraordinary season where three of the four men on the indoor 4x400-meter relay team returning were a part of the first-place ACC Championship team. The squad, consisting of Anthony Walker, Jeremy Samuels, Kyle Rauser and Sean Lowe (graduated), won this title in 2008. "We will be looking to continue the legacy in this event, and will be relying on several athletes to step up and join that group," said Valmon.

The Terps have recruited some great prospects in the jumps, with high school All-American Dwight Barbiasz (7-1 high jump) who will receive leadership from senior David Edwards-Brennan in this event area. Jason Allen will also lend support in the area of long jump.

Coach Valmon anticipates strong support in the middle-distance area from the talented pool of returners, Tommy Friscia, Kyle Rauser and Greg Kelsey.

## SPRINTS

Maryland has a solid group of veterans to place anywhere from 100 to 400 meters and additional resources of talent to further the success of the relay teams. Coach Valmon is depending on the addition of younger athletes to solidify the group of veterans.

In his four years as a Terp, senior Anthony Walker has continually contributed to the track program's success as an ACC scorer in his individual event (400m) in addition to his

relay position. Junior Jeremy Samuels returns in the 400m and 200m after a prominent season with the Terps. Valmon will be looking for Samuels to have a breakout year.

Freshman, Jareen Stewart (60m) and Floyd Hawkes (200m/400m) will be looked at for added support to the sprints. Jason Allen and Zack Ray will also be pulled from their primary jumping events to add support on the track.

## MIDDLE DISTANCE

Fresh from scoring at the ACC, Tommy Friscia and Kyle Rauser return for what is expected to be another great season for the Terps. Rauser and Friscia have both showed great strength in the middle-distance events in 2008, scoring at the ACC Championships in the 800 as well as by maintaining positions on the Terps all-time list for this event.

Arizona State transfer, Mikias Gelagle, joins the Terps to round out the group. A native of Greenbelt, Md., Gelagle attended Eleanor Roosevelt High School, where he was All-American in both cross country and track & field.

Returners Josh Davis and Joe Simpson are expected to add significant depth for Maryland in the middle-distance events. They are joined by freshman Summanth Kuppalli and Max Bruno.

## DISTANCE

After an extraordinary 2008 cross country season, Valmon and his staff are expecting Greg Kelsey and Alex Lundy to provide a 1-2 punch for the program. With the addition of transfer-student Mikias Gelagle, Valmon anticipates the momentum from the end of the cross country will translate into some strength in distance events on the track.

For the second consecutive season, Kelsey has manned the 3,000-meter steeplechase for the Terps. Lundy broke out late in his sophomore season. His advancement to the NCAA Division I Cross Country Nationals marked a historic feat for both him and the Maryland track & field program. Kevin Gahr is

also coming off a strong cross country season and is expected to continue in his performances on the track. Ben Diestel is expected to come on strong in his junior season.

Freshman Chris Conway joins returners Michael Cator and Drew Abernathy to add to the distance group.

## HURDLES

The hurdle events have been the cornerstone of the program for the past four years. With the loss of three-time All-American Dominic Berger, Valmon brings in a trio of hurdlers to begin the rebuilding of this area with freshmen Zack Ray and Chris Parker along with transfer Legonn Haskins. Combined, these three are expected to be the foundation of this event's success.

## JUMPS

David Edwards-Brennan will be the senior leader of the high jump, coming off a solid three years of scoring and qualifying at the conference championships. High school All-American Dwight Barbiasz joins this stellar group of athletes in the 2009 season. A New Hampshire native, Barbiasz won the high jump competition at the Nike Outdoor Nationals after clearing 7-1.

Returning junior Jason Allen has been a prominent contributor in the long jump. As a leader, he will be counted on to support the team as needed in the field and on the track.

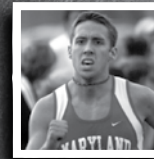

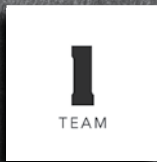

These athletes will be joined by talented newcomers Jareen Stewart and Zack Ray who will also participate in the jumps.

## THROWS

Senior Sal Delhiero has been handling the Maryland throwing duties for the past three seasons. Delhiero has been a scorer at past ACC championships.

This season, newcomer Ben Horner will add to the throws. Multi-athletes Zach Roth and Chad Hall will also be looked at to help the group.

## EDITOR'S NOTE

Maryland Track and Field is working with the Athletics Media Relations Office to fill all-time top-10 lists for indoor and outdoor track. Many records are missing from the files and it is not our intention to slight any alumni who should be on these lists. Alumni with proof of performances should send a copy of those to the Athletic Media Relations Office, 2731 Comcast Center, University of Maryland, College Park, MD 20741.

### A SALUTE TO HALL OF FAMER JAMES KEHOE

Former Maryland athletic director, track coach and sprinter James "Jim" Kehoe was inducted into the United States Track Coaches Hall of Fame during ceremonies Dec. 5, 1998 at the annual USTCA convention in Orlando, Fla.

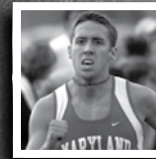

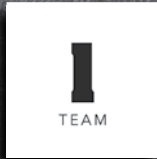

Kehoe was one of five former coaches to be inducted in 1998. Others include Bill Dellinger (Oregon), Joe Newton (York High School), Tom Tellez (Houston) and Stan Wright (Texas Southern).

Kehoe completed over 39 years at Maryland, announcing his retirement in 1978 after serving as the Terrapins' athletic director since September 1969. During his tenure as the Terps' top administrator, he spearheaded a nine-year run that produced 40 Atlantic Coast Conference team championships, as compared to just 24 by runner-up North Carolina. He took over an athletic program that operated a \$1.5 million budget with 12 varsity sports, and retired while leaving behind a program operating on a \$3 million budget with 23 varsity teams. Revenue-producing sports were particularly successful, with football, men's and women's basketball, and lacrosse teams annually representing Maryland in NCAA championship competition and numerous football bowl games.

Kehoe's legacy, however, was built largely upon his background first as an athlete, and later a Terrapin coach. After 18 months of military service in the South Pacific where he earned five service medals and a Bronze Star, he returned to his alma mater where he would guide the Terrapin track program to 48 Southern Conference and ACC conference titles. His teams captured all but one of the ACC indoor and outdoor championships during his 16 years in the league. He also produced eight cross country titles.

He graduated from Bel Air High School and attended the University of Maryland where he was undefeated in dual-meet competition as an athlete. A star half-miler in high school, he set Terrapin school records in the two-mile and the half-mile. His half-mile mark of 1:50.7 remained unbroken for 23 years. Kehoe graduated from the university in 1940, and in 1942, following a brief stint as a high school teacher and coach, began military service in World War II.

# THE LEFRAK SCHOLARSHIP

The Samuel J. and Ethel LeFrak Foundation donated \$1 million in 2003 to establish the Samuel J. LeFrak Scholars Fund at the University of Maryland.

The gift funds annual LeFrak Scholars in the sports of men's basketball, football and men's track and field. From 2004-05, the three LeFrak scholarships have been awarded annually, concurrently and in perpetuity to three student-athletes who exhibit extraordinary athletic ability, leadership and academic achievement.

Jumper Dwight Barviasz is this year's recipient of the LeFrak Scholarship for men's track.

Prior to his death in April 2003, Samuel J. LeFrak, a 1940 graduate of the University of Maryland and one of its most distinguished alumni, was chairman of the LeFrak Organization, one of the world's largest private development companies. The firm's accomplishments include building LeFrak City, a community of apartments, stores and office

buildings in Queens, N.Y.; and creating and developing Battery Park City in New York City, as well as Newport, a \$10 billion mixed-use community in New Jersey on 600 acres overlooking the Hudson River.

While a student at Maryland, LeFrak was a varsity track letterman, president of the Latch Key Society and an officer of his class and of Tau Epsilon Phi.

"In keeping with Dr. LeFrak's dedicated support of the university for more than 60 years, the foundation is happy to sustain his wishes to help the school in its many endeavors to maintain high scholastic and athletic standards," said Deborah Dolan, director of the LeFrak Foundation.

Said athletics director Deborah A. Yow, "The LeFrak scholar-athletes will serve as role models to young people across the country. We are very grateful for the generosity of Dr. and Mrs. LeFrak."

The other LeFrak Scholars for 2008-09 were Jerome Burney (men's basketball) and Dan Gronkowski (football).

## TRACK & FIELD SCHOLARSHIP DONORS

### A CAMPAIGN FOR ATHLETICS SCHOLARSHIPS

Maryland Athletics and the track & field coaches would like to thank the donors who made significant contributions to the recent campaign to fund scholarships for the men's track & field student-athletes. Through the Fear the Turtle campaign, the men's track & field program has increased the total number of available scholarships by nearly 15 percent. More than \$567,900 was raised through this campaign specifically for track & field.

Our success is directly related to your support. Together, we are returning Maryland track & field to national prominence and causing all of our opponents to Fear the Turtle!
